(...)

5.16. If a Seller trading on Allegro Lokalnie wishes to offer the Przelewy24 Service in their Listing, pursuant to the requirements under Allegro User Agreement specified in Appendix 13, they shall, using a relevant tool provided in Allegro, give their consent and authorise Allegro.pl to provide PayPro with the direct debit instruction concerning the Seller's clearing account with reference to the amounts due to Allegro.pl for the fees and commissions for using Allegro which are referred to in Appendices 4 and 13 to Allegro's User Agreement. Where the Seller has given their consent, the fees and commissions for using Allegro.pl shall be charged within the shortest possible period following the event as a result of which the fees and commissions referred to above are charged. The charged amount shall each time correspond to the Seller's current liabilities towards Allegro.pl specified in the Seller's Account.

5.17. The Seller trading on Allegro Lokalnie may withdraw their consent to the direct debit instruction referred to in Article 5.16 above at any time. Upon having received the consent withdrawal declaration, PayPro shall cease further payment transactions which have been instructed by Allegro.pl and concern the debiting of the Seller's clearing account with the fees and commissions due to Allegro for the use of Allegro.

5.18. The withdrawal of the consent to the direct debit instruction by the Seller trading on Allegro pursuant to Article 5.17 above shall not be tantamount to the Seller's termination of the Master Agreement, unless – together with the consent withdrawal declaration – the Seller has also submitted the Master Agreement termination declaration. However, given the provisions of Article 4.15 of Appendix 13 to Allegro's User Agreement, such consent withdrawal shall form the grounds for PayPro's terminating the Master Agreement by emailing a relevant declaration from the PayPro's email address specified in Article 1.1, or by sending its hard copy by regular mail from the following address: PayPro S.A., ul. Kanclerska 15, 60-327 Poznań.

5.19. Given the provisions of Article 5.16 above, the Seller trading on Allegro Lokalnie may request PayPro to refund the charged amount in accordance with Article 5.16. The Seller has an absolute right to request the refund referred to in this Article within 8 weeks of debiting the clearing account. The refund shall be in the full amount of the effected payment transaction. The PayPro shall refund the amount within 10 business days of the receipt of such a request.
