Subject to Article 5.14 below, Disbursement Withholding relates to Sellers' Accounts in which the turnover for all of them jointly from Listings in the "Telephones and accessories" category exceeded PLN 600,000 (six hundred thousand zloty) in the last 6 months counted from the last day of the month preceding the date of the qualification for Disbursement Withholding. Moreover, for Disbursement Withholding may also qualify those Sellers who meet, jointly in all their Business Accounts and regardless of the type of category in which they make sales, one of the following conditions:

5.12. The qualification by Allegro.pl to the group of Sellers whose Transactions on Allegro are Potentially Risky Transactions shall be made on each first Wednesday of the month; however, if this day is a public holiday, the qualification shall be made on the next business day. Subsequent qualifications of a given Seller who has met the conditions specified in Article 5.11 shall be made in three-month intervals, counting each time from the date of the previous qualification for Disbursement Withholding. In the event when, after the lapse of the 3-month period indicated above, the Seller does no longer meet the conditions specified in Article 5.11, all the Seller's Accounts on Allegro shall be excluded from the group of Sellers whose Transactions are subject to Disbursement Withholding. If the Seller holding several Accounts is qualified to the group of Sellers pursuant to Articles 5.9. and 5.11., then the Disbursement Withholding for the funds booked in the settlement tool maintained for this Seller shall be made in all Accounts of such Seller. Similarly, if the conditions set out in Article 5.11. are terminated, the release of Disbursement Withholding shall be made in all Accounts of such Seller.

5.14. Disbursement Withholding for funds booked in the Seller's settlement tool may be applied:

The delivery time indicated in Listings shall mean the time counted in business days specified in the Seller's Listing in the "Delivery and payment" tab. If a Transaction covers more than one Listing of the Seller, the period indicated in the preceding sentence shall be counted according to the longest delivery time;

b. in the case of the Sellers referred in Article 5.9.b) above, with the registered office, registered business or actual place of business outside the European Economic Area, regardless of the classification of their Transactions as Potentially Risky Transactions — maximum up to 45 days from the date of booking the funds in the settlement tool of such Seller, where, in justified cases, this period may be reduced.

5.15. The Payment Operator may at the Buyer's request reimburse to the Buyer the funds obtained from a Transaction subject to Disbursement Withholding, having met all the following conditions:

The Seller has not documented the fact of the fulfilment of the agreement concluded as part of the Transaction subject to Disbursement Withholding, although they received the request to do so from Allegro.pl and have not given response within 24 hours from the request, with Saturdays, Sundays and other public holidays being excluded from such response time. The fact of the fulfilment of the agreement concluded with the Buyer may be documented by the Seller in particular by sending to Allegro.pl a copy of the proof of the Item shipment, and
- c. The Seller is subject to a temporary restriction or suspension of access to particular services provided on Allegro pursuant to Articles 2.13 and 8.4 of the Allegro User Agreement and they are informed of the same by Allegro.pl by separate correspondence.

Paying the fees due to Allegro.pl

5.16. By accepting the Allegro User Agreement, the Seller who conducts activity as part of a Business Account as an entity whose registered office, registered business or actual place of business is outside the European Economic Area, shall authorise Allegro.pl to submit to the Payment Operator the order to pay from the Seller's settlement tool any fees and commissions due to Allegro.pl for the use of Allegro referred to in Appendix No. 4 to the Allegro User Agreement as soon as possible after the occurrence of the event resulting in the obligation to pay the aforementioned fees and commissions. The charged amount shall each time correspond to the current amounts due to Allegro.pl indicated in the Account and the Seller may not claim reimbursement of such amount within the meaning of Articles 47 and 48 of the Act. If the Seller withdraws the authorisation referred to in the preceding sentence, re-authorisation shall be granted exclusively via electronic mail and not through reacceptance of the Allegro User Agreement which would be carried out after the withdrawal of the authorisation. The authorisation shall be granted by the Seller on condition that Allegro.pl makes available the feature of collecting fees for using Allegro directly from the settlement tool maintained by the Payment Operator.
