IV. AGREEMENT CONCLUSION

Partners who meet the criteria specified in Articles II and III above may propose to Allegro.pl their Listings for promotion in the Special Offer Zone. Only active Listings which are currently posted on Allegro may be proposed.

1. To propose a Listing, as referred to in clause 1 above, the Partner should enter the “My Allegro” tab in the User panel, select the “My sales” field, and then “My listings”. The Partner should then select the “Actions” tab, click on the link corresponding to the selected Special Listing Feature and fill in all the fields in the relevant application form. Once submitted, the proposal is verified by Allegro.pl.
2. Performance of the aforementioned activities by the Partner is tantamount to accepting the Terms and Conditions and the terms of promoting the Items in the Special Offer Zone, and a positive verification of the proposed Listing by Allegro.pl against the criteria described in the Terms and Conditions is tantamount to concluding an Agreement with Allegro.pl concerning the terms of promoting the Partner’s Listings in the Special Offer Zone – in such a case the Partner will receive a notification in the “My listings” tab confirming the conclusion of the Agreement. If Allegro.pl does not accept the Listing proposed by the Partner, the reason for the rejection will be displayed in the “My listings” tab, indicating what elements of the Listing the Partner should modify to ensure that it qualifies for the Special Offer Zone Program.
3. The current status of the Partner’s Listings promoted in the Special Offer Zone, including the duration of the promotion and the validity of its terms, can be checked in the User panel in the “My Allegro” tab, “My listings” item, “Details” field.
4. If the Partner posts Listings on Allegro that are identical to Listings promoted in the Special Offer Zone, the Partner should notify Allegro.pl of this fact immediately or propose such Listings for promotion in the same form as the currently promoted Listings. If the Partner fails to communicate the information referred to in the previous sentence to Allegro.pl, Allegro.pl is entitled to add the said Listings to the Listings promoted in the Special Offer Zone without the Partner’s consent.
5. By agreeing to the promotion of Items offered in the Partner’s Listings in the Special Offer Zone, the Partner declares in particular that:

a. it authorizes Allegro.pl to issue invoices without the recipient’s signature, and by accepting the provision of the Terms and Conditions the Partner agrees for invoices and correcting invoices issued by Allegro.pl to be sent electronically. The provisions of clause V(D)(10) of Appendix 4 to the Allegro User Agreement will apply accordingly.

b. the materials provided by the Partner will not infringe on the rights or interests of third parties, will be free from physical and legal defects and their contents will comply with applicable laws,

c. it is duly authorized to conclude the Agreement,

d. its Listing is consistent with facts and is not misleading,

e. trade in the Items does not infringe any applicable provisions of law or the rights of third parties and that it is authorized to conclude and perform the agreement for the purpose of which the Listing has been posted,

f. all the Items offered by the Partner are free from physical and legal defects,

g. the prices indicated in the proposed Listing, in particular the previous price of the Item, the market price or the Item price suggested by the manufacturer and indicated by the Partner, are consistent with the facts,

h. it accepts and agrees for Allegro.pl to reduce the price of the promoted Item in accordance with its application and the data provided in the application form.

V. AGREEMENT TERM

1. Subject to clause 2 below, the Agreement is concluded for a term of at least 30 days or until the Partner sells out the quantity of Items specified in the Listing, which means that the Partner may not close the Listing proposed for the Special Offer Zone Program at an earlier date. In addition, in the case of the following Special Listing Features:
 - a. “Special offer”, “Volume discount”, “Outlet” and “Smart!offer” – the Agreement is concluded for an indefinite period of time,
 - b. “Hit” and “New” – the Agreement is concluded for a term of 30 days.
 - c. “Sale” – the Agreement is concluded for a term of 30 days, and upon the lapse of that period the Listing reverts to the “Special offer” Special Listing Feature (provided that it was earlier promoted in the Special Offer Zone with the “Special offer” Special Listing Feature).
2. Allegro.pl is authorized to verify the Partner’s Listing at any time against the criteria referred to in Articles II and III above and to make a decision on further promotion of the Listing subject to renewed acceptance of the terms of its promotion by the Partner. If the Partner’s Listing does not meet the criteria referred to in Articles II and III above, Allegro.pl may ask the Partner to update the Listing and adapt it to these criteria. Otherwise, the promotion of Items offered in the Partner’s Listing in the Special Offer Zone will be discontinued.
3. The Partner undertakes not to modify any elements of a Listing (which includes increasing the Item price) promoted in the Special Offer Zone or to close the Listing earlier without prior consent of Allegro.pl, with the exception that the Partner may reduce the price of a promoted Item in the Listing in the Special Offer Zone without notifying Allegro.pl in advance. If the Partner modifies the Listing, in particular if the Partner increases the Item price during the promotion in the Special Offer Zone without obtaining prior consent of Allegro.pl, Allegro.pl is authorized to charge the Partner a contractual penalty of PLN 500 for each such aforementioned violation.
4. Allegro.pl may, at any time, terminate the Agreement with the Partner with immediate effect or exclude the Partner, for a specific or indefinite time, from participating in the Special Offer Zone Program, depending on the scale of the violation, if:
 - a. the activities carried out by the User on Allegro are harmful to other Users of Allegro or to Allegro.pl;
 - b. the User fails to make payments for services provided by Allegro.pl for at least 2 accounting periods.
 - c. the User (Partner) breaches the provisions of the Terms and Conditions or the Allegro User Agreement.

The provisions of Article II(2) of the Terms and Conditions will apply accordingly.

VI. FORM OF LISTING PROMOTION

1. The Listings promoted in the Special Offer Zone are given:
 - a. the possibility to be featured in the Special Offer Zone section of Allegro in the relevant product category,
 - b. a special distinction in Allegro category product lists, depending on the type of the Special Listing Feature,
 - c. the possibility to be featured in promotional areas of Allegro made available for the Special Offer Zone Program,
 - d. the possibility to be featured in emails sent to Buyers,
 - e. the possibility to participate in additional promotional campaigns carried out by Allegro in the Special Offer Zone,
 - f. the possibility to impose a limit on Buyers purchasing Items in the given Listing.
2. The Partner may purchase an additional service in the so-called “Premium Special Offer Zone”, which involves promoting the Listing by displaying it in dedicated areas of Allegro, where the Items participating in the Special Offer Zone Program are displayed prominently.
3. Due to the limited availability of the service referred to in clause 2 above, its terms and possible completion dates will be agreed by the Parties separately on a case-by-case basis.
4. The amounts due to Allegro.pl for the services provided under the “Premium Special Offer Zone” will be shown on the Account of the given Partner. At the Partner’s request, the Partner may receive a separate invoice for the services provided under the “Premium Special Offer Zone”, which should be paid by bank transfer to the account number indicated on the invoice, within 14 days of its issue by Allegro.pl.

VII. FEE

1. Under the Agreement, Allegro.pl – regardless of the fees applicable at Allegro for Agreement conclusion – charges the Partner every day a daily fee for promoting the Listing in the Special Offer Zone and an additional sale commission.
2. The rates of the daily fees for promoting the Listing in the Special Offer Zone referred to in clause 1 above are dependent on individual types of the Special Listing Feature, are charged for each Special Listing Feature, are expressed in gross amounts and are specified in Appendix 1 to the Terms and Conditions.
3. In the case of multi-option listings, the amount specified in item 2 of Appendix 1 to the Terms and Conditions is charged for each Special Listing Feature.
4. The commission for promotion in the Special Offer Zone amounts to a relevant percentage of the rate added to the commission assigned to the given category, as described in Appendix 4 to the Allegro User Agreement. The amount of the commission depends on the final price of the Item and the Allegro product category, with the proviso that the minimum commission amount (PLN 0.25) referred to in Appendix 4, Part III, item 3 of the Allegro User Agreement will not be considered

when calculating the commission under the Special Offer Zone Program. The commission rates are presented in Appendix 1 to the Terms and Conditions and are expressed in gross amounts.

5. Allegro.pl reserves the right to organize occasional promotional campaigns for Partners as part of the Special Offer Zone and, consequently, is authorized to eliminate or reduce the commissions or fees as part of time-limited promotional campaigns – on terms specified separately for such campaigns. In addition, Allegro.pl may award separate permanent terms, resulting in reduction or elimination of the additional sale commission for Partners who participate in other Allegro programs (e.g. VIP, TOP, Commercial Partner programs, etc.), based on separate arrangements made with such Partners.
6. The commission for the Partner's participation in the Special Offer Zone Program is charged by Allegro.pl to the Partner on the basis of the concluded Agreement. The amounts due on account of the commission charged are shown on the Allegro Account of the Partner and include the commission charged on the value of all Items sold in all the Partner's Listings posted on promotional pages on Allegro and in the Special Offer Zone.
7. The value of the commission is equal to the number of Items sold in the Partner's Listings promoted in the Special Offer Zone and on Allegro promotional pages, multiplied by their price and the commission rate specified in Appendix 1. The commission is a gross amount and is calculated based on the gross price of the Item sold.
8. The Partner should pay all the amounts due to Allegro.pl for the services provided under the "Special Offer Zone Program" in accordance with the provisions of the Allegro User Agreement.
9. If the Partner fails to pay the fees and commissions referred to above within 30 days of their being charged, debt collection procedures will be initiated in relation to the Partner and, additionally, all the Partner's Listings in the Special Offer Zone and Allegro promotional pages will be blocked until the outstanding amounts are paid. Failure to pay the aforementioned amounts may also result in blocking the Partner's Accounts on Allegro.

VIII. FINAL PROVISIONS

As part of the Special Offer Zone Program, the User will receive, by email and/or by phone, information related to Allegro, including information about products, services, benefits, promotional campaigns, events (including workshops and training sessions), campaigns and offers related to the Allegro platform and activities of Allegro.pl.
2. 3. Allegro.pl reserves the right to amend the Terms and Conditions, including to launch a new version of the Special Offer Zone Program. The amendment becomes effective within a period indicated by Allegro.pl, which cannot be shorter than 7 days after the amendment is announced.
4. An amendment to the Terms and Conditions will have no impact on the rights acquired by the Users/Partners prior to the entry into force of such amendments.

5. Allegro.pl may decide, at any time, to terminate the Special Offer Zone Program with an adequate notice period of at least one month.
